Item 3: Disciplinary Information

There are no legal or disciplinary events that are material to a client's or prospective client's evaluation of this advisory business.

Item 4: Other Business Activities

Parker Lee Carroll is a licensed insurance agent. This activity creates a conflict of interest since there is an incentive to recommend insurance products based on commissions or other benefits received from the insurance company, rather than on the client's needs. Additionally, the offer

and sale of insurance products by supervised persons of Infinity Investment Advisors LLC are not made in their capacity as a fiduciary, and products are limited to only those offered by certain insurance providers. Infinity Investment Advisors LLC addresses this conflict of interest by requiring its supervised persons to act in the best interest of the client at all times, including when acting as an insurance agent. Infinity Investment Advisors LLC periodically reviews recommendations by its supervised persons to assess whether they are based on an objective evaluation of each client's risk profile and investment objectives rather than on the receipt of any commissions or other benefits. Infinity Investment Advisors LLC will disclose in advance how it or its supervised persons are compensated and will disclose conflicts of interest involving any advice or service provided. At no time will there be tying between business practices and/or services (a condition where a client or prospective client would be required to accept one product or service conditioned upon the selection of a second, distinctive tied product or service). No client is ever under any obligation to purchase any insurance product. Insurance products recommended by Infinity Investment Advisors LLC's supervised persons may also be available from other providers on more favorable terms, and clients can purchase insurance products recommended through other unaffiliated insurance agencies.

Parker Lee Carroll is a Tax Preparer for Infinity Accounting and Tax Services, Inc. From time to time, she may offer clients advice or products from those activities and clients should be aware that these services may involve a conflict of interest. Infinity Investment Advisors LLC always acts in the best interest of the client and clients always have the right to decide whether or not to utilize the services of any Infinity Investment Advisors LLC representative in such individual's outside capacities.
